**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer. I support broadband competition. I urge you to support broadband competition also. I have a competitive broadband provider and I want to be able to choose such in the future. I also use a competitive provider for phone service. I like to have this option.

More competition means more choices and leads to lower prices. Less competition leads to fewer choices and inevitably, to higher prices.

Thanks
